

We were very pleased we managed to get the cross country in as planned last Friday. The spasmodic rain showers were a bit of a surprise, making it feel like it was four seasons in one day. I'm not sure if this was a hindrance or made the day more exciting! Congratulations to all of our runners who certainly gave of their best and didn't let the changeable conditions deter their enthusiasm and effort. A big congratulations to our many place getters (results below). We will be selecting some of our Y5s and 6s to represent our school at the SC School's Cross Country event to be held at Waihi School on 12th June.

Thank you to Hamish and Anna Neal for their time in organising such a fantastic course, traffic and parking management and for the use of their farm equipment and vehicles.

Thank you to the other amazing helpers, without whom we couldn't run such a successful event:

- Our Home and School for the sausage sizzle, 'hot sausies' were very welcome on such a day. \$320 was raised for the Geraldine Educational Social workers Trust, that our school benefits from.
- Parents who volunteered as course marshals and driving support vehicles
- Fra Mills and Nick Hoogeveen for sorting the portaloos
- And of course our school staff for the hours of organisation that goes on behind the scenes

Ashburton District Council

ADC have erected the three solar powered flashing school zone signs on the roadside near the school. We now await instructions on their use at set periods at the start and end of the day.

Health Programme/School lunches

As a part of a body systems topic, all classes have had a focus on healthy eating and what makes a sustaining and healthy school lunch, looking at how to reduce packaging has also been a part of this. As a reminder please see the following poster (page 2), that our junior students produced last year.

After School Pick ups

To avoid congestion at bus time we ask parents to use the small gate (next to the post box), and collect children from the courtyard/playground area in front of the office. We have asked that the children wait for you in this area after they have been signed off their bus.

School Bus Changes

With dairy changeover coming up I will be making some minor changes to bus rolls and routes. I will inform you by email if this involves your child/ren.

SCHOOL IS CLOSED FOR THE QUEENS BIRTHDAY - MONDAY 4TH JUNE

CONT.....

SCHOOL LUNCHES.

As an EnviroSchool children at Carew Peel Forest School are taught to recycle and re-use items for a more sustainable future.

We promote zero waste lunches and encourage parents to put lunches in to lunch boxes with compartments, keeping the use of gladwrap and other non-recyclable items to a minimum. The children can put their food scraps in a bin to feed our worm farm and take home their 'rubbish'.

We promote healthy eating and drinking and do not allow lollies, chewing gum, chocolate, fizzy/energy drinks at school.

HOT FOOD ITEMS

Pies, toasties, left over pizza can be placed into a paper pie bag which are available for pre-purchase from the school office, 30 for \$1.50.

In Terms 4 and 1, the food warmer is available on FRIDAY.

In Terms 2 and 3 the food warmer is available on MONDAY WEDNESDAY AND FRIDAY.
