Hi everyone.

Here at school, we seem to be running from one place to the other this week with everything that needs to be accomplished before we close for the year. Lisa is very good at keeping you all updated with what is happening so please be sure to read those emails carefully, just in case they involve your children. The school Facebook page is also updated regularly however important information will come to you via email or in hard copy via your child.

Important reminder: Children should only be bringing items to school that they need for their learning please. Teachers will let students know when its OK to bring special things which the teacher will then look after during the school day.

A great swimming week this week with lots of very excited children getting on buses each morning. If you haven't been into the pool yet to see your child/ren swim, I recommend doing this on Friday following our family picnic in the Ashburton Domain (10.30am). Its such a wonderful learning experience for our children.

I hope you've got Wednesday marked in your diaries for our End of year Prizegiving and Year 6 leavers Assembly. The Year 6 children are busy working on how this will run on the night. Come along and see what they have planned. Please bring a plate to share for supper afterwards.

Nga mihi,

Sharon

SCHOOL PICNIC

On Friday 7th is our school picnic. If you are taking your child to the picnic and then onto watch them swim, we look forward to meeting you at the Domain in Ashburton at 10.30.

After swimming you are then free to leave for home with your child/ren.

If you are unable to attend the picnic and/or swimming then your child/ren will require normal bus transport to and from school. We will provide a bus to transport children to swimming.
