The end of this week marks ten weeks of my time here at CPF. Thank you again for making me feel so welcome. I am loving being part of this learning community and continue to be excited by what I see daily - both in and beyond our classrooms. I'd like to wish everyone a safe and happy two weeks holiday. I find even just not having to keep to those regular routines for two weeks very refreshing. I hope that our students come back refreshed also for the last term of 2018.

I was very lucky last week to pop out to Peel Forest Preschool on their inaugural pet day - it even made the Southland News! They provide a wonderful environment for children's exploring and learning in the lead up to their school days. The preschool are one of the members of our community of learning so its wonderful to be able to support them. You can see a few pictures of their event in their newsletter which I've included with ours. If you know of any families with preschoolers, please feel free to forward this to them.

Happy holidays everyone. We look forward to seeing all our lovely, smiling, refreshed children back for term 4. **Sharon**

### HOT OFF THE PRESS!

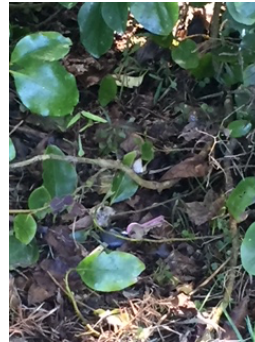

A HUGE Carew well done to Olivia Connor who came in 34th in the Nelson National Cross Country week.

We look forward to welcoming Alfie McKerchar who will be joining Piwakawakas in term 4

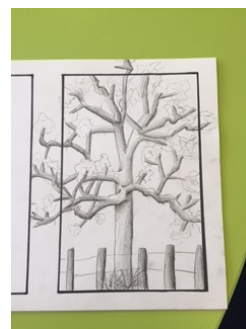

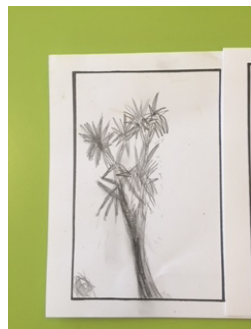

## Tarahaoa Hub Happenings:

Hello everyone - we are all still revelling in our wonderful day at Peel Forest yesterday. As a culmination of our forensic science inquiry we navigated our way around a crime scene and gathered data and evidence to deduce the what had happened and to create a profile of the suspects or perpetrators. The higher level learning, questioning and observation skills were exceptional - we already have some sharp forensic scientists in our midst ! Can you spot the evidence in these photos :

As guardians of the Kahikatea Walk we decided to check in on the state of our walkway. Much fun was had checking for rubbish and weeds and observing the wildlife ! Our other challenge was to adopt a tree and use our charcoal sketching skills to try and sketch the tree as close as possible to its true form. We then took a photograph of our tree to place beside our work to show the resemblance. As you can see some of the results are fabulous !

We have had another industrious term full of fun, inquiry, critical thinking and personal challenges. Here's to a restful two weeks holiday - keep safe, relax and enjoy each other.

Earlier this year, the Minister of Education announced a major programme of review and reform across the education sector (the "Education Work Programme"). This work is designed to ensure New Zealand has an education system that is fit-for-purpose for the 21st century.

The Government has been clear that issues and opportunities for Māori education must be addressed across the entire system. In addition, it has commissioned work to refresh and update *Ka Hikitia* (the Māori Education Strategy) and *Tau Mai Te Reo* (the Māori Language in Education Strategy).

As part of our work to engage with whānau, hapū and iwi, we are planning a series of wānanga in communities across New Zealand. Through these wānanga, we would like to hear from people about what is important to you: what you like about the current education system; what frustrates you; what you would like to change and how you would change it. We have not prepared a consultation document or any other material because we want to hear from you.

We would like to invite you to be a part of these conversations at wānanga being held in the Canterbury/Chatham Islands region:

- **Monday, 1 October 2018**, Addington Event centre (Christchurch), 6:00pm to 9:00pm
- **Tuesday 2<sup>nd</sup> October 2018**, Addington Event Centre (Christchurch), 6:00pm to 9:00pm
- **Thursday 4<sup>th</sup> October 2018**, Temuka Alpine Event Centre (Temuka), 6:00pm to 9:00pm

These are open events and we encourage you to bring along as many voices as you can rally.

Please send your RSVP to [Events.Christchurch@education.govt.nz](mailto:Events.Christchurch@education.govt.nz) by Midday Monday 1 Oct, 2018.

September 2018

wow where has Term 3 gone!!

It is with great sadness that we have said goodbye to Philippa and Alfie this month who are taking the next step in life and off to Carew Peel Forest School. We will truly miss you and your whanau. We would also like to say goodbye to Cushla and Anna who over the past few years have played a major part in our committee and helping our little centre stay operational, Thankyou.

**Spring time** - Just a reminder to pack extra clothes in your child's school bag next term in case they get wet or just want to change due to warm weather. It is also Slip Slop

Slap time of the year!!!! Can you please put sunscreen on your child when they arrive in the morning which would be supplied at the front desk

**Spontaneous Review** – Our mission as teachers this term was to get out and about and explore our community. We had an amazing time visiting 'Green man Café' where the children enjoyed a yummy fluffy. We also had St John come and visit us and we learnt when to call 111 and how to stay calm in an emergency. We also got to play with the toy ambulance and learn how to use a bandage.

**Planned Self Review** - Our review is in working process we are currently working on 'sustainability' within our centre and will be coming up with an aim in the next few months so watch this space!!!

**We hope you all have a wonderful holiday and we will see you back on the 15<sup>th</sup> of October**

Below are some snap shots taken of your children on thru out the day and of our amazing pet day turn out.

Our club's swimming season commences in the Geraldine Pool in mid-November. We invite new members to join our friendly group of swimmers. We have two levels of registration - competitive swimmer and club swimmer. Swimmers must have reached an acceptable standard to enter our programme (mastered strokes over 25-50m). For more information about joining and prerequisite skills please get in touch. Pre-season training starts after the school holidays so earlier enquiries are welcome. For more information and to register please contact the Secretary, Meg Catherwood, [secretarygasc@gmail.com](mailto:secretarygasc@gmail.com), or phone 021 2015227.
