

Arts Festival

The children really rose to the occasion at Tuesday evening's performance, there was a noticeable lift in the energy level - fabulous!

Our final performance is tonight so once again please meet us in Rooms 11 and 12 between 6.30 - 7pm. It would help us out a lot if after the performance the children could take home any props that belong to them, and also their costume bag. Please return any borrowed clothing items (washed please) to school next week.

Thank you for transporting your children to and from the evening performances, we understand that it is a mission at such a busy time of the year in the farming calendar.

Farewell Amy!

Amy is less than 3 weeks away from the expected delivery date of her new baby and she has decided that the time has come for her to put her feet up and relax as much as possible. Amy's last official day teaching Kereru will be tomorrow, and Mrs Desiree McCaskill will take over teaching the class next Monday (18th September). Amy will be popping into school from time to time over the next week or so to 'tie up some loose ends'.

We extend our thanks to Amy for being such a capable and caring in teacher in Kereru class over the three terms. We wish it could have been longer! We will miss her IT leadership as well as the collegial support and friendship she has shown to us all. Our very best wishes Amy - we can't wait to see the new little one.

Kereru and Korimako have a busy time ahead of them next week with three EOTC activities they will be attending (Tuesday - Waihi Performance, Thursday - Museum and Te Awa rock art, Friday - winter tournament in Geraldine. Separate notices will be going out informing you of these events.

Wanted

If anyone has a small concrete water trough that is excess to needs, we would love it for our pet paddock. Thanks

Kay, Jayne, Pip, Lesley and Amy
