School & Community Pool refurbishment Fundraiser 2020

Kia ora tatou.

We are looking for some help for our Home and School group who focus on fundraising to provide the extras for our school (such as contributing to the upcoming pool upgrade, helping with Pet Day, subsidising school trips, providing extras for classrooms, etc.)

The annual general meeting of the group is coming up and our current committee are wanting the opportunity to work alongside others in their roles so their knowledge does not go with them when they leave the school. You will be well supported in any role you wish to take on.

We are looking for a range of helpers to fill roles such as chairperson, secretary, treasurer, catering, fundraising coordinator, uniform co-ordinator, or just help out as a committee member. Meetings are held when necessary and are run informally over coffee in the school staffroom. Meeting times can be adjusted to suit the majority and can be flexible too - the committee leads the decision making about this. Meetings consist of our school community and teachers too so you get to hear about what's happening within the school.

The Home & School are an integral part of our school - without them, we couldn't do all the extras that we like to in providing a wide and varied curriculum which meets the needs of all our children. Our children deserve this.

Please have a think about what you could do to help. The meeting is coming up on Tuesday 3rd March at 7.30pm in the staffroom and I'd love to see you there. Even if you don't think you can offer any particular skills, or don't want to take on a lead position, there will be something you can do to help.

I am happy to talk to anyone about this, pop in and see me or feel free to chat with one of our current committee members that you know. Many hands make light work and it's the children who benefit from the work that is done. (It's a pretty social time too - come and enjoy coffee - although I've heard wine mentioned from time to time also). Come along to the meeting, put your hand up if you wish - let's all work together to keep our great school the place to be.

SAFE CRACKER NEEDED!

Our school safe has jammed. Locksmiths have been contacted with an approximate quote to open at around \$1000. There is \$200 in the safe so its not cost effective to do this. Do you have some skills and equipment to open it for us - please phone Lisa and let her know.

FUEL FOR SCHOOLS

Dear Sharon Ketter

Thursday, 6 February 2020

Congratulations! **Carew Peel Forest School** has earned the following through the Fuel for Schools programme:

\$918.88

You are making progress towards the **\$1000 target**. Once achieved you will have the choice of picking from one of the fabulous technology or sports equipment packages we have on offer for your school.

Visit our Fuel for Schools page on our website www.southfuels.co.nz to view these packages today!

The Fuel for Schools sponsorship programme has helped put over **\$1 million dollars** of resources into more than **350** rural schools in the last twelve years. Just a reminder of how your school has received this donation...

Your school has been nominated by a local business/farm that receives bulk fuel deliveries from Northfuels, meaning that for every 2 litres of bulk fuel they purchase 1 cent is donated to their nominated school - which is you!

Ways to increase your donations is to advertise in your school newsletter, on your website or Facebook page. The more people you have nominating your schools results in you reaching your target a little quicker.

Alternatively contact your local Account Manager who is happy to talk with you about options for your community.

We would like to take the time to mention who those members of the community are that have contributed to your school, they are listed as follows:

Ealing Pastures Limited
C J & J M Fearn Partnership
Macknor Limited

Rural communities and schools everywhere can enjoy the benefits of the Fuel for Schools programme. For more information about the programme, call 0800 4 THE KIDS (0800 484 3543) or visit our website.
