What a fabulous trip into Peel Forest yesterday. The weather played ball and the very excited kids had a wonderful time. No doubt you had tired children last night.

Thank you to everyone who came to help us. It's fabulous having so many of our school community come along to support us.

Did you know that you don't have to be a parent to be able to help us out. We are looking to set up a register of community members who'd be available to help us from time to time. If you like walking, perhaps you'd like to join us on our next Peel Forest adventure. If you have a passion for farming or animals, you might like to be a judge at our pet day. Perhaps you have a skill you'd be keen to share with children (reading, cooking, art, pottery, tramping, gardening) - we have a huge range of interests amongst the students and would love to grow this even further.

If you are keen, please email through your details and let us know how often you are available, what you'd like to do/share with the children and we'll pop you onto our list. We'd love to build up a list of community based people resources that we can call on when needed.

Regards Sharon

IMPORTANT NOTICE
RE: ATHLETICS DAY
Fiona Peck - Sports Co-ordinator

Dear Parents,

Below is some important information to make note of, ahead of the combined Woodbury – Carew Peel Forest Athletics Event.

Date:

Friday 20th November (postponement Tuesday 24th November)

Location:

Geraldine Domain. Look for the school gazebo as this is our base, where we will keep our bags.

Time:

Students will need to be at the domain from 8.45am. We will address the children at 9.00am and start the first event at 9.15am. These times are earlier than last year after receiving feedback from last year that it would be beneficial to finish earlier, we therefore have moved the start forward and reduced the break times to achieve this.

What to bring: Bag with sunhat, drink bottle, lunch. Wear a school shirt on the day and bring a warm jacket/jumper in case of cooler weather.

Organisation:

We received a lot of positive feedback last year after our first combined Athletic sports with the two schools. Most of the feedback was around smaller year group sizes which allowed the children more turns at each station with the juniors doing the same events and rotations as the older children, slightly modified to suit their ability. We will therefore continue with this format this year

The format will be 7 rotations (shotput, discus, softball throw, sprints, hurdles, high jump, long jump) with 30mins at each rotation.

There are 7 age groups from Under 5 to Under 11. These are ages as of 1st January 2020– an easy way to remember is if your child turned 6 in 2020 they are Under 6, turned 9 in 2020 they are Under 9, etc...

Parent Help:

Teachers will run all the events with assistance from Geraldine High School Students. We would really appreciate parent help to walk with a group to help get them to events (and remember to take hats, drinks, etc... with them!).

NB After a very hot year last year we would like to have a gazebo erected at each station to provide a bit of shade. If you have a gazebo that you would be happy to erect at a station and take down at the end of the day it would be greatly appreciated by all. Please e-mail Fiona Peck, sports@carewpeelforestschoo.co.nz if you have a gazebo we could use, so we can coordinate these.

Home and School Donation Request

Home & School are catering for the Hinds Lions Dinner which is on **Tuesday the 17th of November 2020** and we would love to try and keep costs to a minimum so we can contribute more of the funds to use on great activities and resources for our children at Carew Peel Forest School.

We are looking at catering for approximately 80 people, which is always fun night dishing up food and then a general clean.

We would be incredibly grateful for any help, in the form of help on the night at the event, to prepare salads or baking, or donations to contribute to purchasing ingredients. If you could please mark down what you would be willing to donate that would be fabulous.

Please see below list:

(please circle)

- ✓ I would like to help on the night – at the **Hinds Hall from 5pm**
- ✓ \$5 – \$10 donation towards the costs
- ✓ I can make a slice
- ✓ I can make a salad
- ✓ I can prep potatoes

Phone:

We really appreciate your donation towards raising funds for the children. Can you please drop your form/donation off to the school office by **Thursday 12th November**.

Kind Regards,
