Thank you to staff, parents and community members who attended the meeting last night. It's clear that you are all passionate about our school and I appreciate all you have to offer. If you'd like to know more following the information shared by Sandy last night, you can view the New Zealand School Trustees website here: <https://www.nzsta.org.nz/>.

Before becoming a principal, I spent nine years as a BOT staff elected trustee and am more than happy to share the knowledge I have or answer any questions you might have. If I don't know, I'll certainly follow up and get an answer for you. Please phone at any time or pop into school and have a chat.

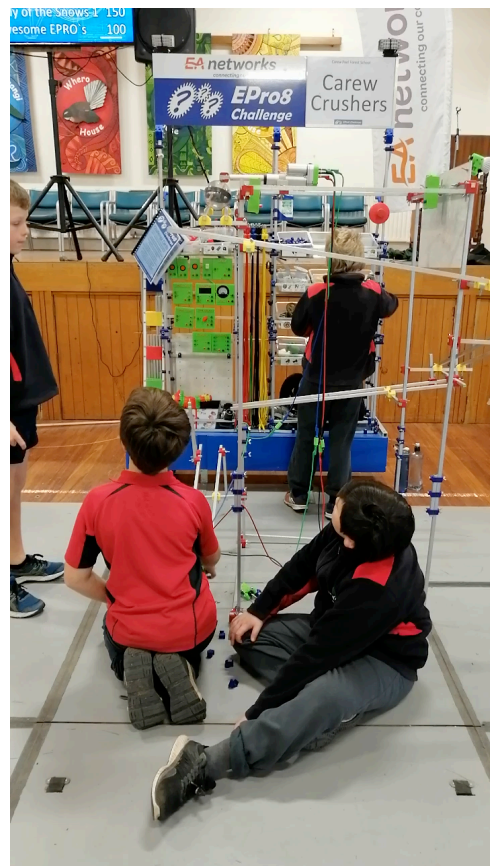

Around our school, we have the COVID tracing app available for you to check in when you come to visit. There is one on the letterbox, on the staffroom door and the reception counter. I encourage you to use this here at school and when you are out and about in the wider community.

This week, we have trialled an extra bell at 2.50 so we can get the buses away from school by 3.00pm. Please don't worry if you've turned up at the usual time (2.55) to pick up your child and found them already waiting. Five minutes doesn't seem much but when it comes to loading buses and organising children, it makes a big difference.

Until next week,
Sharon.
