### Kia ora koutou

At the moment I'm looking towards 2021. There's preparation happening that includes, budgets, annual plans, strategic planning and calendar of events. I work with the staff and Board of Trustees on these things but most of all, I'd really like to hear from you - our school community.

Are you happy with the current direction of the school? Do you have any ideas for us going forward? Are there things that you'd like to see happening in our school that you believe will improve learning outcomes for our students? I'm really happy to hear any ideas that you may have so please share them with me. You could email me, phone me, or call in and have a chat. My door is always open.

The seniors are enjoying swimming this week with the juniors next. Although the lessons are only 30 minutes for each child, by the time we leave school and return, it's more than half the day. We believe the lessons are invaluable and will be a kick start for our swimming programme that we hope to get underway before the end of the year (weather permitting).

And on swimming, our pool refurbishment is well under way. The installation of new skimmer baskets and all plumbing has been completed, the new pump filter equipment shed is commencing and the fibreglass company come in next week! I'm enjoying watching the progress outside of my window each day.

### **Kiwi Sport Top Team Event, Tuesday 27th of October**

The whole hub is travelling to the Woodbury Domain for this wonderful fun event which has a focus on team work. This is such a valuable skill for our tamariki to develop. Thank-you to the parents that have volunteered to help at this event, without your assistance we wouldn't be able to be involved in these activities.

### **Summer Hockey**

Reminder that the hockey google forms need to be completed by Wednesday, 28th of October. I have had some responses but currently we don't have enough numbers to form a team on our own. If you are having trouble with opening the form to see the details or completing it please let me know.
