

Carew Peel Forest School Notice 4th September 2017

We have a busy week ahead of us with festival practices in preparation for our performance next week in the **Geraldine Schools' Arts Festival**. Please see the **separate notice** with all the details you need to be aware of.

Please note there will be **NO HEAT UPS for lunch items** this Wednesday, and Monday and Tuesday next week, as we will be in Geraldine for festival practices and performances on those mornings.

Tales from the Farm

Tomorrow the children will be treated to a visit from author Jennifer Somervell of the award-winning *Tales From The Farm* picture book series (*A very greedy tale*, *The Day Dad Blew up the Cowshed*, *The new Old Truck*, *The Eel Hunt*).

While it will be a lot of fun, the children will gain insight into how stories are inspired and written, the process of picture book production and the New Zealand family farm of the 1970s and '80s. The sessions will be interactive, including storytelling with questions, dramatisation with props and demonstrations of picture book production.

We sincerely thank our Home and School for paying the cost of Jennifer's visit. Jennifer will work with the junior and senior children in two separate groups in the hall. You are most welcome to join us (juniors - 10.30am, seniors - 11.20am).

Over the weekend we learnt of the **tragic news** that David Muir, a former student of Carew Peel Forest School in 2005/6, was involved in a fatal car accident near Methven. This is such a devastating loss at only 21 years of age. After moving on to Geraldine High School, David continued to be transported to and from his home near Mesopotamia in our Gorge school bus. The bus drivers and myself have fond memories of David. Our caring thoughts and deepest sympathy are extended to Janine, his Mum and partner Roger Johnston and boys Kent, James, Nick and Paddy.
